

Press Release- for immediate release

15th February 2012

TotalMobile™ Released on Android Marketplace

Belfast, Northern Ireland, UK, 15th February- On Monday it was announced that TotalMobile™ has been released on Apple's App Store. Today we can confirm that the solution is has now also been launched on Android Marketplace.

Regarding this announcement, Gareth Tolerton, Chief Technology Officer has said "Over the past couple of years Android had really taken over the Smartphone market and made progress in tablets too. TotalMobile™'s major selling point is flexibility; we want to offer our customers the choice of any device. Android is so popular, making TotalMobile™ compatible was an easy decision. We're delighted to say that the solution is now available across all major operating systems."

ENDS

Notes To Editor

1. TotalMobile's Enterprise Mobile Working Solution is a smart, easy way for Field Workers to be productive and stay connected, wherever they are. TotalMobile has a proven track record with Local Authorities, Housing, Repairs and Maintenance and is a fully flexible solution, it can be used any type of mobile device and by almost any type of remote worker. The solution gives field workers all the tools and security necessary to get the job done, and helps management keep on top of everything going on in the field.
2. TotalMobile Headquarters are based in Belfast, UK and the company have offices in Boston, M.A., USA. TotalMobile Solutions Ltd. are a subsidiary of Consilium Technologies who have supplied efficiency-saving IT systems to Local Authorities and Housing Associations for over 25 years.
