

Security Mobile Solution

- Reduce time-consuming paper work by completing and submitting e-forms virtually anywhere
- Access a case file, floor plan, image, report and more while on the move
- Receive and manage appointments or workload and automatically report on progress
- Identify, document and report incidents and alert appropriate people in the field
- Securely communicate with remote workers without email or SMS
- Protect your workers when working in vulnerable environments; panic button and visit timer linked directly to office
